MA155 Projects (Fall 2022)

Project 1: Simple Random Sampling

Due Date: 9/9/22 @ 11 p.m. on Canvas (50 Points)

Instructions:

Use the **Davis data set** located here (Click to download the data set).

Task (40 points):

In this project, your task is to use Microsoft (MS) Excel to obtain a Simple Random Sample (SRS) of size (*Click me* to watch a video on how to obtain SRS in Microsoft (MS) Excel):

i) $n = 25$ (15 points)
ii) $n = 50$ (25 points)

Submission Instruction (10 points):

- Once you are done with the task, submit your project as a single MS Excel file on canvas.
- Use your first and last name to name the file. (10 points)
